imagine a cure

CELEBRATING ENHANCED CANCER CARE AT ATRIUM MEDICAL CENTER

Monday, October 24, 2011
5:00 to 7:00 p.m.

Senator Barry Levey Rotunda
Atrium Medical Center

THIS EVENING'S AGENDA

Welcome
James Papakirk, JD
Chair, Atrium Medical Center Foundation

New Hope from Generous Donors
Pat and Karen Piccioni
Imagine a Cure Co-Chairs

Thank You!
Carol J. Turner, FACHE, President and CEO
Atrium Medical Center

Following the brief remarks, please enjoy optional tours of the Cancer Center, located in the Compton Center. You can also try your hand at operating the da Vinci® Surgical Robot, located tonight in the surgery waiting area on the hospital's second floor. Tour volunteers in the reception area will direct you to both locations, where guides will greet and assist you.

Please visit AtriumMedCenter.org/Foundation to see photos of this evening's event.

Atrium Medical Center Foundation supporters have achieved so much already in the *Imagine a Cure* campaign. However, the need remains to continuously improve cancer care in our region. We welcome additional gifts that will help us reach our $1 million campaign goal.

IMAGINE A CURE: AN OUTSTANDING SUCCESS

Over the past two years, hundreds of generous donors and volunteers have stepped forward to enhance cancer care at Atrium Medical Center. Together we've raised nearly $1 million. Thank you! These contributions have funded:

- The new da Vinci® Surgical Robot that offers patients with cancer shorter hospital stays, reduced pain and a faster recovery. Donor support enabled Atrium Medical Center Foundation to help meet its commitment to fund $500,000 of the robot's total purchase price of nearly $2 million.
- Additional infusion patient rooms, especially for very sick patients
- Expanded comfort care for patients and loved ones, with additional recliners, music and movies, hospitality stations and more
- Additional assistance for patients to effectively coordinate care from all of their specialists
- Expanded clinical trials and research that offer the best promise for better treatments and a cancer cure
- Assistance for indigent patients with cancer
- Endowments to ensure advanced care for generations to come

The *Imagine a Cure* campaign offered many ways to participate, including:

- *When You Wish Upon a Star* celebration in May 2010, with nearly 800 in attendance and more than a net of $120,000 raised for the da Vinci® Surgical Robot. The Foundation especially thanks presenting sponsor Baker Concrete Construction and galaxy sponsors Chase and Freund, Freeze & Arnold; celebration co-chairs John and Pat Dupps; and the entire celebration committee.
- Two year-end appeals to the community
- *Comfort That Heals*, Atrium's employee campaign that raised $25,000
- Business and physician campaigns
- Major gifts and grants from individuals, families, corporations and foundations

GENEROUS DONORS

Our deepest appreciation goes to every *Imagine a Cure* donor for enhancing cancer care here in southwest Ohio. You have touched the lives of Atrium's patients and their loved ones now and for years to come. We could not be more grateful!

Major Donors

Atrium Auxiliary Middletown

Atrium Auxiliary Middletown

Their early pledge of $100,000 toward the da Vinci® Surgical Robot set the pace for Foundation fundraising. The Auxiliary also committed an additional $42,350 to furnish a patient room and purchase additional equipment for the da Vinci.

Cohen Brothers, Inc. and the Cohen Family

Their gift establishes the Mary Jean Cohen Cancer Research Endowment to help ensure every patient has the tools and inspiration to fight cancer effectively.

Sarah and Gary Kaup

Their gift in memory of Sarah's mother, Marabelle Harvey Robertson, supports general cancer services at Atrium.

Major gifts were made in memory of Marabelle Harvey Robertson, left, with her husband, John; and Mary Jean Cohen, right.

Infusion Center and Patient Rooms

These donors made generous gifts to fund furnishings and equipment for infusion and patient care rooms:

Akers Packaging Service, Inc.
