

## HEALTH CAREER SCHOLARSHIP

### SELECTION CRITERIA

The scholarship program is offered to students from the following groups who are enrolled in college or university for the 2010-11 school year in a health-related field:

- Atrium Health System employees or medical staff and their immediate families
- Atrium adult and junior volunteers
- Students of Greentree Health Science Academy
- Previous recipients of Auxiliary scholarships

Primary focus of the scholarships this year will be for students in:

- Surgical Tech
- Laboratory (Medical Technologist/Medical Laboratory Technician)
- Therapies (PT, OT and Speech)
- Pharmacy
- Imaging Services (Radiologic Tech, Sonography, MRI, Mammography, Nuclear Medicine)
- Respiratory Therapy
- Nursing
- Pre-med students will also be considered

Criteria are: academic achievement, financial need and responsibility, character, maturity, motivation and goals.

1. The dollar value of the scholarships can be any amount up to \$2,500 maximum per year. A separate application is required for each year of the grant.
2. The Auxiliary Scholarship Committee will select the recipients.

The student may attend the college or university of his/her choice. **Payment of awards only covers tuition, books or fees and will be made to the college or university.** No other expenses are eligible under this program and no payments will be made directly to the student.

For your application to be considered, all of the following items must be received in the hospital's Volunteer Office by **4:00 p.m. Friday, April 2, 2010**. (Omission or late receipt of any of the following documents disqualifies the application.)

- 1) Completed application.
- 2) Most recent transcript of grades--**minimum GPA 3.0**. (Submit request to your school(s) early to ensure availability of transcript before the due date.)
- 3) Personal essay (details in #17 on the application form)
- 4) Two letters of recommendation (details in #18 on the application form)
