

# You've Made a Difference for Newborns!

Atrium Medical Center Foundation thanks everyone who contributed to the success of the *Little Blessings* campaign. Our volunteers and donors raised more than \$250,000 to help newborns in our region get a healthy start. These funds will support:

- The Maternal Child Health Center's High Risk OB Clinic, to help prevent preterm deliveries
- Breastfeeding education for mothers
- Furnishings for a private HEAL (Help Endure a Loss) room where families can spend precious last moments with their baby
- Ongoing clinical education for Family Birth Center staff, including a new interactive labor and birth simulator
- Enhancements to the Family Birth Center

On behalf of the nearly 1,000 "little blessings" delivered at Atrium Medical Center each year, thank you for your generosity!
